

THE DEMENTIA CONCERNS COALITION OF DODGE COUNTY PRESENTS...

ALCOHOL INDUCED DEMENTIA

1 to 2 p.m.

Understand how alcoholism impacts the dementia patient and his/her care.

THE HEAD INJURY & DEMENTIA CORRELATION

2:15 to 3:30 p.m.

Discover the impact head injuries play on dementia.

Presented by **Cheryl Tapp, MD**, Agnesian HealthCare Behavioral Health Services psychiatrist.

Dr. Tapp specializes in general adult psychiatry, geriatric psychiatry, nursing home and CBRF practice, and works with caregivers with depression and stress.

She sees patients in Fond du Lac and Waupun.

Friday, April 27

The Watermark

209 S. Center Street, Beaver Dam

**Refreshments provided by Agnesian HealthCare
and Landmark at Charleston House.**

The event is free to attend.

Call Nicki at (920) 356-9818 to register.

**Dementia Concerns Coalition
of Dodge County**

Mission statement: To enhance the quality of life for people impacted by dementia by coordinating community resources, offering advocacy information, support and education.
